Special Instructions:
The program admits initial admission only in the fall semester. All interested candidates must attend a pre-nursing admission conference, take the NLN PAX RN admission exam, and submit an admission packet by the deadline. LPN candidates are admitted in the spring semester into the NSG 197 course. Selective admission process for LPNs. • A letter grade of "C" or higher is required for each nursing course, each biological courses, and math course. ***Students must repeat any credit earned in biological and physical sciences that is 6 years or older.** • Non-nursing courses must be taken prior to or concurrent with the semester sequence in which the student is enrolling in nursing • Successful completion of each nursing course in each semester is required before one may progress to the next semester of the program. • A cumulative grade point average of 2.0 must be met in order to apply and then maintained after admission to the nursing program. •

Approved Electives (if applicable)	
	ANA 209, PGY 206 and a CHE course = BIO 137 & 139
	UK's ANA 109 & 110 = BIO 137 & 139
