Selective Admissions

The Diagnostic Medical Sonography program is a selective admissions program which admits students for initial admission only in the Fall semester. See the program website at https://bluegrass.kctcs.edu/admissions/selective-admission for selective admission information and mandatory pre-admission conference dates.

Additional Information

- After completion of the prerequisite courses and acceptance into the program, this program requires attendance for consecutive Fall, Spring, Summer 12-week, and Fall terms.
- CPR certification for the healthcare provider must be obtained prior to enrolling in DMS 146 and must be kept current throughout the program.
- Documentation of successful completion of a minimum of 75 hour nursing assistant course or its equivalent and digital literacy competency as defined by KCTCS are required prior to enrolling in DMS 117.
- A grade of C or higher in all Diagnostic Medical Sonography courses as well as a cumulative GPA of 2.0 or higher is required to continue in the program.
