Additional Information
MIT Medical Coding Track is available completely online.
A letter grade of C or higher in each course and a cumulative grade point average of 2.0 or better is required for progression in the Medical Information Technology program.
Non-General Education courses older than 5 years will not be accepted without the consent of the Medical Information Technology program coordinator.
MIT 204 and MIT 205 are suggested for first year Spring and second year Fall because coding manuals and textbooks will be updated beginning in January of each year. Students who begin in the Spring should discuss with an advisor how to adjust their schedule
Prerequisite for BIO 135 is minimum ACT Composite score 16 (or KCTCS determined equivalency); OR completion with "C" or better of any college biology or chemistry course; OR ACT of 13-15 with corequisite OR supplemental instruction; OR consent of instructor.
