Additional Information
The Radiography program is a selective admissions program which admits initial admission only in the Fall semester. See the program website at https://bluegrass.kctcs.edu/admissions/selective-admissions/radiography.aspx for selective admission information and mandatory pre-admission conference dates. A grade of C or higher in all program curriculum courses is required to continue in the program. CPR certification for the healthcare provider must be obtained prior to enrolling in IMG 100 and must be kept current throughout the program. This program requires attendance during a Summer Session between the 1st and 2nd years of IMG courses. NAA 100 Nursing Assistant Skills I is a preference course for the program but it is not a required course. Students must be active on the Nurse Registry to receive preference status for this course in the application process. Students do not need to have all prerequisite courses completed before application but those courses must be completed before the start of classes in the Fall semester. Students interested in the Radiography program should concentrate on completing BIO 137, BIO 139, MAT 150, NAA 100, PHY 172, and digital literacy.
